FROM:

J. Kenneth McDonald
Chief, DCI History Staff

SUBJECT:

Draft History of USIB, 1958-65,

25X1

1. At last I'm able to send you a xerox copy of the draft history of the U. S. Intelligence Board by your distinguished predecessor, [redacted] I'll also attach a copy of a History Staff Memo for the Record of 2 June 1980, which summarizes the evolution and contents of this work.

2. I've had a request from a member of the National Security Agency's history staff, [redacted] to read this history. [redacted] is working on a "History of Requirements" for NSA. I think you should control access to this draft history, so once you've had a chance to look it over, I would be grateful if you could let me know whether you would agree to our letting [redacted] read it here at our offices. He has, of course, all the necessary access approvals, and the history he is doing will be classified.

3. Sometime--but perhaps not for two or three years--I hope to have [redacted] draft edited and put in final form. In the meantime, if you would like to have this draft copy for the NFIB files you are welcome to it. If not, would you send it back to us at your convenience.
